

Vacuum cleaner adapter DDE 72 (631343000)

Order no. 631343000

EAN 4007430282835

Representative picture

- Dust extraction adapter for extracting drilling dust at the hole entry point
- For drill bits and core bits in diameters of 6-72 mm. Connection diameter 37 mm exterior / 32 mm interior
- The 2-chamber system and the foam rubber gasket keeps it attached to almost all surfaces (including uneven surfaces), such as plaster, natural stone and woodchip wallpaper. Minimal drill dust residue on walls and wallpapers.
- The adapter is attached to the existing suction hose. The under-pressure of the vacuum cleaner keeps the adapter on the subsurface.
