

# ROAD SHOW

## CUSTOMIZE YOUR DEMO DAY

**Vinnie Scurto**  
Product Specialist

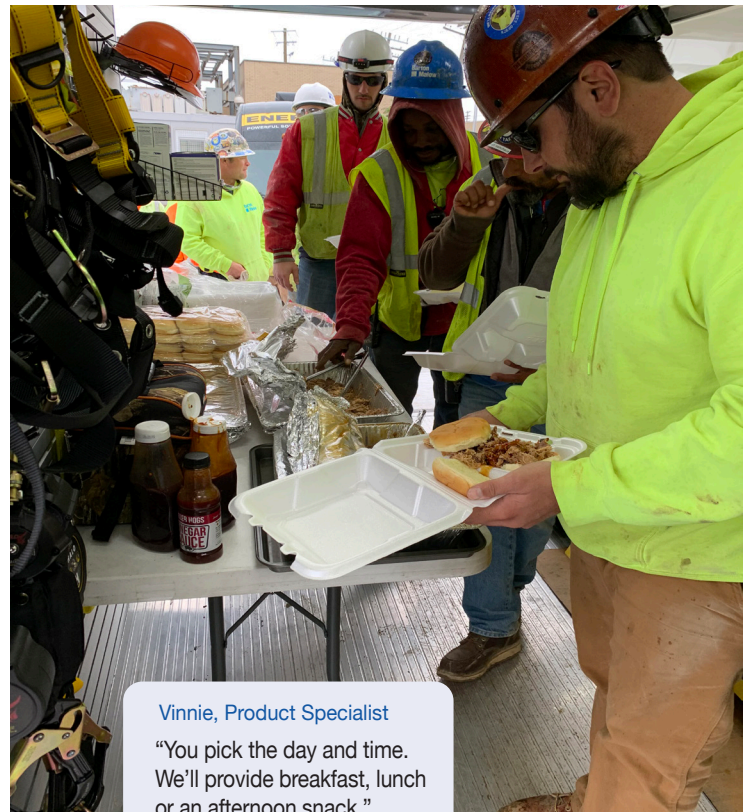

248.727.8482

vincent.scurto@midlandtool.com

Our product demo trailer facilitates equipment testing and training on the job-site, minimizing time spent away from important work. It's managed by our Product Specialist, Vinnie, who knows the "ins and outs" of our retail and rental inventory. Scheduling a visit with our Product Specialist will:

- Keep you aware of new, safe & efficient equipment
- Allow you to see equipment in action before purchasing
- Help you decide which equipment is right for your application

Vinnie, Product Specialist

"You pick the day and time. We'll provide breakfast, lunch or an afternoon snack."
