AL 603060  
1.Model: AL  
2.Article Code: 603060

### Technical Information

Aluminium Oxide flaps, with highest quality resistant industrial clothing. Used in finishing operations that demand limited removal capacity. They adapt to all contours and shapes.

Uniform and constant finish throughout the life of the wheel.

### Applications

Polishing and finishing on irregular surfaces and contours.

Cleaning and removal of rust, paint, weld and scratches.

Applications on steel, stainless and nonferrous materials (aluminium, wood, plastic).

**Users:** foundries, forging, stamping, moulding, welding, wood...
